The attention of the administrative Dept is invited to this aspect of the recommendation of the Dist Bd. The finances of the Bd are not in a particularly flourishing Condition - as a matter of fact the Current years budget has resulted in a deficit of Rs 15000 - and it is not advisable to make large additions to the existing Standard of expenditure. Perhaps the rate of grant to the Sundhaschatta Harijan may be fixed at Rs 5, the same as the rate allowed to the Hungund Harijan.

Sir,

With reference to your docket No 13449 LB. 433-07-2 of the 24th June 1908, Calling for certain informations in the matter of entertaining a Unani Hakim on Rs 10/- per mensem for Sindaghatta, Krishnarajapet Taluk, I have the honour to state that there are Local Fund Dispensaries at Krishnarajapet and Nagamangala which are 5 and 20 miles from Sindaghatta respectively

respectively, and that medical aid is not available in any other neighbouring place. There are about 103 mahamadan families at Sindaghatta and as the females do not seek aid in these public and distant dispensaries, the employment of a local Hakim is recommended. The man recommended for the place has been certified to, as being conversant with Unani Medicines, by the Senior Hakim of Government Unani Hospital at Mysore. (Certificate herewith attached).
